

ROAD TO MAJOR

COUNTER-STRIKE MANAGER · MEDIA KIT

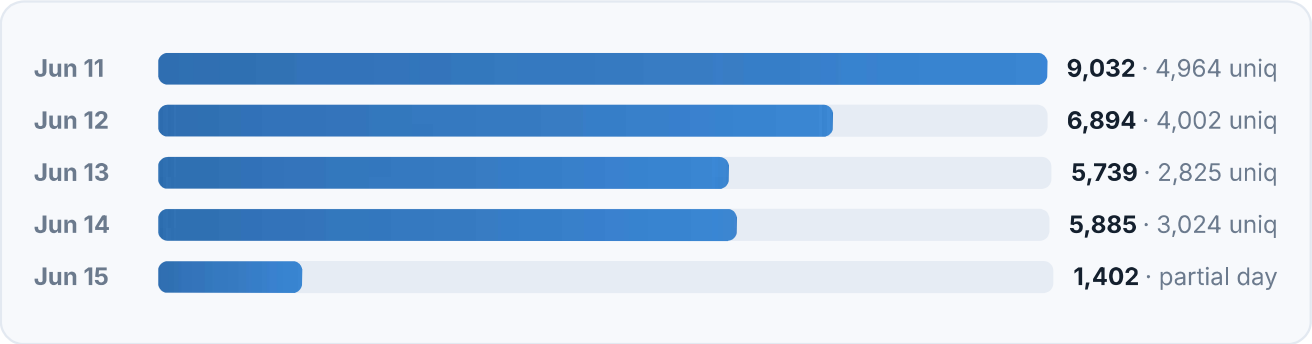

Updated June 2026
roadtomajor.com.br

Road to Major is a free, browser-based **Counter-Strike pro-scene simulator**: players draft real CS teams, run a career mode, and play out the road to the Major. The audience is exactly who you want to reach: **active CS players who follow the competitive scene**. The numbers below are from the **first 5 days since launch (June 11, 2026)**, and the platform is still ramping.

DAILY VISITS

Source: site analytics. Launch-day spike is expected to settle into a steady daily base as the title matures.

AUDIENCE

- **Endemic CS players** who follow teams, rosters and the Major circuit.
- Highly engaged: they return to draft lineups and run full careers.
- Perfect fit for **CS skins, betting, gaming gear and energy brands**.

🌐 **Trilingual:** Portuguese / English / Spanish (Brazil-led, global reach).

WHY IT WORKS

Right audience

Not generic traffic. Every visitor is a CS fan, the exact buyer for skins and gaming brands.

Always on

The run-of-site banner is seen on every page, every session, not rotated away.

Growing fast

Thousands of unique visitors in the first days, with momentum still building.

Let's talk. Custom packages and exclusivity available.

All figures verifiable via live analytics on request.
