

ROAD TO MAJOR

COUNTER-STRIKE MANAGER · MEDIA KIT

Updated June 2026
roadtomajor.com.br

Road to Major is a free, browser-based **Counter-Strike pro-scene simulator**: players draft real CS teams, run a career mode, and play out the road to the Major. The audience is exactly who you want to reach: **active CS players who follow the competitive scene**. The numbers below are from the **first 5 days since launch (June 11, 2026)**, and the platform is still ramping.

DAILY VISITS

Source: site analytics. Launch-day spike is expected to settle into a steady daily base as the title matures.

AUDIENCE

- **Endemic CS players** who follow teams, rosters and the Major circuit.
- Highly engaged: they return to draft lineups and run full careers.
- Perfect fit for **CS skins, betting, gaming gear and energy brands**.

🌐 Trilingual: Portuguese / English / Spanish (Brazil-led, global reach).
